To Whom It May Concern:

**Re: Payless Income Tax Ltd. and Juanita Nott**

I would like to recommend the accounting services of Payless Income Tax Ltd and Juanita Nott. In her position as Accounting Manager, Juanita has been with us since 2001. Juanita does an excellent job in this position and has been an asset to our organization. In addition to providing full cycle accounting services she has excellent written and verbal communication skills, is extremely organized, can work independently and is able to follow through to ensure that the job gets done.

Juanita is responsible for supervising the accounting department. This department, under Juanita's management, has been responsible for implementing and maintaining accounting policies and procedures since inception of the company. Juanita effectively schedules and manages several assistants to maintain efficient office operations within this department.

Juanita is always willing to offer her assistance and has an excellent rapport with the many constituents served by our office including clients, employees, and other professional organizations. She would be an asset to any business and I recommend her for any endeavor she chooses to pursue.

Yours truly,

ASCENTA CAPITAL PARTNERS INC.
