CUSTOMIZED FILING SOLUTIONS FOR PUBLIC COMPANIES

January 7, 2009

To whom it may concern:

I am pleased to write this letter of recommendation for Payless Income Tax Ltd and Juanita Nott. Juanita has been providing bookkeeping services for EDF Electronic Data Filing Inc. for 10 years.

During Juanita's service with us I interacted frequently with her and depended on her. Very goal oriented, Juanita was always punctual. She was dedicated to her work and the job at hand.

Juanita demonstrated from early in her tenure that she understood what business is all about. She was well organized and thrived under adversity. She kept a sharp eye on the bottom line, but realized too that customer satisfaction is what makes or breaks your business. I suppose doing well in business is easy if you are, as she was, driven in equal measure by both quality and efficiency.

In closing, let me say I have no hesitation in recommending payless Income Tax and Juanita Nott for any position pertaining to accounting. I feel confident she would be an asset to your organization.

Sincerely,
